Subject: Softing WireXpert™ Approval as of April 12th, 2018

Dear Konstantin,

Telegärtner is pleased to announce the approval of the WireXpert series effective immediately. This approval is based upon evaluation of the WireXpert 4500 versus network analyzer by Telegärtner lab.

WireXpert 4500 is approved for certification testing with all of our Category 8.1/Class I, Category 6A/Class EA, Category 6/Class E and Category 5e/Class D systems and correlating system warranty programs.

WireXpert 500 is approved for certification testing with all of our Category 6A/Class EA, Category 6/Class E and Category 5e/Class D system and correlating system warranty programs.

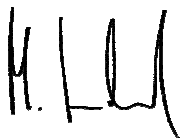

The following WireXpert configuration is required:
WireXpert device software version 7.4 or higher
eXport software version 7.4 or higher

Permanent link testing for CAT8, CAT8.1 / Class I	WX_AD_81_PL2 – Permanent link testing kit for RJ45 Interfaces for CAT8, Class I
Channel testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	WX_AD_6ACH2 - pair of CAT 6A channel adapters
Permanent Link testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	WX_AD_6ALKIT2 – pair of CAT 6A permanent link kits: each consisting of a CAT 6A permanent link adapter WX_AD_6ALINK and a Permanent Link test cord WX_AC_6ALCORD

We will update our website to include this statement to our list of certified measuring devices for free download to our authorized installers.

Looking forward to our continued partnership!

Sincerely,

i.V. Marcel Leonhard
