

CM-330 Clamp-on Meter, A new member to the clamp meter family

AC Amperage measurements made simple

For basic AC amperage measurement, you cannot beat the Greenlee CM-330 Clamp-on meter. Packed into this compact tester is the capability of measuring up to 400 amps AC. Professionals will appreciate the ergonomic design and the Category III 600V safety rating. This rugged, compact meter also has data hold and max hold. In addition to all these features, the CM-330 clamp-on meter comes with a carrying case for convenient storage.

Like all Greenlee test and measurement products, the CM-330 is backed by a lifetime limited warranty. Make sure to check out the CM-330 and the rest of the Greenlee test and measurement family.
